

# Wind-up Dancing Planet

The Earth and Moon move as if they are drifting about in space!

Wind-up toys in the shape of the Earth and Moon.

Let one go and it will spin, turn and zoom about unpredictably!

Turn the lights out and watch them glow in the dark.

[ How to Use ]

Wind up the toy and place it on an open flat surface to allow it to move.

The sudden spins and unexpected turns make Dancing Planet fun to watch!

Turn lights out and Dancing Planet will glow in the dark.

# Wind-up Dancing Planet

Made of phosphorescent light material that absorbs light and makes product glow in the dark.

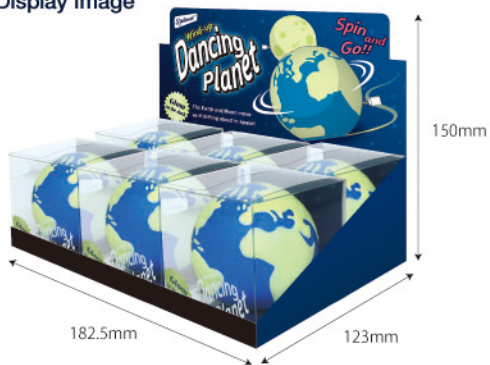

Earth VRT42543

Moon VRT42544
