

Projector Dome - OCEAN-

Sit back, relax, and gaze up from the ocean floor

Small colorful domes project out calming images of sea creatures, making you feel as if you are drifting deep under the ocean. Use during baths to sink and submerge into complete relaxation.

【 How to Use 】

Place product near a bathtub, or in a dish filled with water.

Projection will appear when sensors on the bottom of product touches water.

Water resistant, so can be used in the bathroom or near water.

Place dome in a glass or dish of water to enjoy as decorative interior lighting.
